General Notes and Notices.

Inductive Bible study is receiving increased attention from thoughtful and intelligent students and leaders in Bible study. It is well known that the conductors of the Congregational publications on the International Lessons have announced that with the third quarter their lessons will be presented from the standpoint of an inductive system. And now from the West comes a practical example of the working of the method. In the First Congregational Church Sunday School of Minneapolis a class of fifty young ladies and gentlemen are enthusiastically following the plan of the Inductive Bible Study Leaflets in the study of Luke's Gospel. Several other classes in the school are following the same system. It is expected that all the classes will undertake it as soon as there are teachers trained to lead it successfully. Thus the methods outlined in the STUDENT and in the Leaflets are proving themselves thoroughly practical and the work is spreading.
